

# THE LONGEST DAY

Come join us to **fight Alzheimer's** on **Wed June 21st, 2017!**

As The Longest Day's inaugural partner, the ACBL has raised more than \$2.4 million for the care, support and research efforts of the Alzheimer's Association. From sunrise to sunset, members across the country will host tournaments, teach lessons and play multiple sessions to advance the cause.

This year Northern Virginia's "The Longest Day" fundraising event will take place at the **Salvation Army on 4915 Ox Road, Fairfax, VA** (link to [MAP](#)) and at **Reston Community Center on 2310 Colt Neck Road, Reston, VA** (link to [MAP](#))

There will be three sessions of bridge: one at **10:30 and one at 2:00 at the Salvation Army**, with a free lunch provided between sessions. The third session will take place at the **Reston Community Center at 7:00**. Given enough players, there will be a party bridge section, a 0-100 section, a 0-750 session, and an open game. There will be **no charge for playing** but a donation to the Alzheimer's Association would be greatly appreciated. This is an ACBL sanctioned event and **extra master points will be awarded at each game**.

Alzheimer's disease has personally impacted many of us both at home and in our bridge world. Here is how you can support this event and contribute to the Alzheimer's Association vision of "A world without Alzheimer's".
