**CALL TO ORDER:** The President called the meeting of the Joint WBL and NVBA Board of Directors to order at 9:32 a.m.

**Joint Planning Session**

A lengthy discussion ensued on whether to continue with alternating weeks of in person and online bridge sessions for both units. After input from participants of both Boards, it was decided to continue with the current format and experiment with holding in person bridge sessions on Thursdays, September 8 and September 29 as part of the September Sections, and eliminating the online sessions on those two dates. President Hadi (WBL) said that he would take a vote with his membership to decide if we should remain with the same schedule. It was suggested that we conduct a survey and obtain results on the format that we want to follow for the remainder of the 2022 club year.

At the conclusion of the Joint Board planning session, WBL signed off and NVBA conducted its regular scheduled Board meeting.
